Coast New Zealand

Our aim is to allow you to live outdoors much as you do indoors, without sacrificing either comfort or style.

Our products are designed and made in New Zealand, allowing us to exercise uncompromising control over quality and to guarantee our workmanship and materials.

Enduring Comfort, Timeless Style

The original Marine Bean® is a contemporary design classic, combining innovative design and enduring materials in a stylish marriage of form and function. The result is a collection of soft indoor/outdoor furniture that is as luxurious as it is durable; as stylish as it is practical.

Originally conceived during the 2003 *America's Cup* as a comfortable place to sit on a yacht, the Marine Bean has found its real home ashore in homes, cottages, hotels and resorts in New Zealand and around the world.

The Marine Bean is perfect for relaxing on the deck, around the pool, out on the lawn or at the beach. Tough enough to stay outdoors year-round, the Marine Bean is smart enough to complement the most elegant interior - and light enough to be easily transferred between the two.

Marine Bean is a registered trademark of Coast International Limited.

This has been achieved through the development of a unique (patent pending) internal structure, comprising multiple interconnected chambers which support the beanbag, yet remain forgiving.

Construction

Marine Bean

Every Coast beanbag features Sunbrella® brand fabrics, which offer unparalleled outdoor performance and durability. Relax in the knowledge that your Marine Bean is guaranteed* to withstand prolonged exposure to the elements and continue to look superb.

Sunbrella Canvas Shell
This fantastic fabric is well known for its weatherproof qualities: It is guaranteed resistant to fading and deterioration, yet feels softer than cotton canvas.

Nylon Zips
Zips from YKK.

Stainless Steel Hardware
Looks great.
Won't corrode.

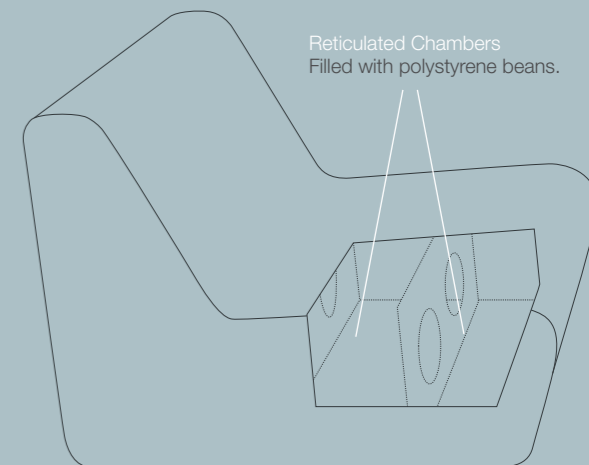

Waterproof Lining
The Marine Bean has a polyester liner allowing the cover to be removed.

Polyester Stitching
For long-lasting, extra strong seams.

Hard-wearing Base
Waterproof, scuff-resistant heavy-duty polyester.

Isla Collection

The Isla shares the exterior characteristics of the classic Marine Bean. In addition, the Isla's unique internal structure comprises interconnected chambers (patent pending) which can be filled through a single aperture.
